**PlatformOne to provide HR Technology Infrastructure and Support to leading PEO provider
Presidion Solutions, Inc.**

Atlanta, GA – April 23, 2003 – PlatformOne announced today that it has entered into an agreement with Presidion Corporation (OTC Bulletin Board: PSDI) based in Troy, MI to provide PEO specific technology service and support.

Beginning immediately, PlatformOne will begin delivering highly developed PEO technology infrastructure and business processes designed specifically for the PEO industry. PlatformOne's leading technology infrastructure is comprised of leading HR solutions including Lawson HRMS, HR AnswerSource, and PlatformOne's e-learning offerings. This agreement will allow Presidion to immediately capitalize on PlatformOne's industry leading PEO technology solutions and support.

The objective is to rapidly deploy a proven and scalable PEO technology infrastructure leveraging PlatformOne's experience and technology investments. Craig Vanderburg, President and CEO of Presidion, "This partnership will take Presidion's technology to the next level without devoting a great deal of resources on redeveloping technology that has already been developed. This partnership will expedite our long term technology goals while enhancing our customer service and financial reporting capabilities". The conversion process will draw on valuable resources from both organizations throughout the conversion project. Once completed, Presidion will have access to a single technology backbone to manage and support over 45,000 employees utilizing web-based applications for relationship management and employee self-service.

Ray Drummond, COO for PlatformOne, "PlatformOne's PEO technology model is a great fit for Presidion's high growth business model, and their vision for the future. Presidion is an industry leader with unlimited growth potential and a great reputation for quality customer relationships".

About Presidion Solutions

Presidion Solutions (OTC Bulletin Board: PSDI) is one of the nation's largest Professional Employer Organizations ("PEO") with more than 3,500 clients and 45,000 worksite employees. In 2002, Florida Trend magazine reported that on the basis of the number of worksite employees, Presidion is the second largest PEO in Florida, where the majority of its business is currently located. Presidion provides a wide range of human resources, regulatory compliance and employee benefits management services to small and medium-sized businesses, which benefit from the advantages of economies of scale. The company has operations in Florida, Georgia, South Carolina and Michigan.
